---

2175 Cherry Avenue • Signal Hill, California 90755-3799

THE CITY OF SIGNAL HILL  
WELCOMES YOU TO A REGULAR  
SUSTAINABLE CITY COMMITTEE MEETING  
August 07, 2025

The City of Signal Hill appreciates your attendance. Public interest provides the Sustainable City Committee with valuable information regarding issues of the community. Meetings are held four times in the 2025 calendar year: February 4, May 6, August 7, and October 7. Meetings commence at 6:00 p.m. There is a public comment period at the beginning of the regular meeting, as well as the opportunity to comment on each agenda item as it arises. Any meeting may be adjourned to a time and place stated in the order of adjournment.

The agenda is posted 72 hours prior to each meeting on the City's website and outside of City Hall and is available at each meeting. The agenda and related reports are available for review online at [www.cityofsignalhill.org](http://www.cityofsignalhill.org). You may also contact the Community Development Department at [comdev@cityofsignalhill.org](mailto:comdev@cityofsignalhill.org) or by calling (562) 989-7340.

During the meeting, the Chair presents agenda items for Committee consideration. The public is allowed to address the Committee on all agenda items. The Chair may take agenda items out of order and will announce when the period for public comment is open on each agenda item. The public may speak to the Committee on items that are not listed on the agenda. This public comment period will be held at the beginning of the public portion of the meeting. Please direct your comments or questions to the Chair.

The City of Signal Hill Sustainable City Committee is committed to striking a balance between economic growth, social responsibility, and environmental well-being by partnering with our neighbors, businesses, and the community to provide a healthy and enduring environment for future generations. The purpose of the Committee is to develop and recommend a sustainability framework to the City of Signal Hill City Council that promotes environmentally sound and financially practical objectives.

### To participate:

- In-person Participation: Library Learning Center, 1800 East Hill Street, Signal Hill, California.
- To make a general public comment or comment on a specific agenda item, you may also submit your comment, limited to 250 words or less, to

commdev@cityofsignalhill.org not later than 4:00 p.m. on Thursday, August 7, 2025. Written comments will be provided electronically to the Sustainable City Committee and attached to the meeting minutes. Written comments will not be read into the record.

**EDUCATION**

**a. EDUCATION**

Summary:

- A. GUNDRY RESERVOIR ROOF REPLACEMENT PROJECT - The Public Works Department will provide an update on the Gundry Reservoir Roof Replacement Project. The City's Water Master Plan identifies the Gundry Reservoir Roof Replacement Project as a critical priority project. The Gundry Reservoir, located within Reservoir Park at 3315 Gundry Avenue, is a cylindrical concrete water storage tank with a five-million-gallon capacity, originally constructed in 1929. Over the decades, the reservoir has undergone multiple upgrades, including the replacement of its original wooden roof framing with a steel structure in the 1990s and the application of a watertight coating in 2006. In March 2022, an interior and structural inspection identified failing or deteriorated roof members, necessitating a complete roof replacement and recoating to ensure

continued water quality and structural integrity.

In June 2024, following a competitive bidding process, the City Council awarded a Public Works contract to Spiess Construction Company. The construction is slated to begin toward the end of this year 2025.
