The City and Licensee are sometimes individually referred to as a “Party” and collectively as “Parties” in this Agreement.

RECITALS

A. **Property.** City owns certain real property commonly known as Spud Field, which is located in the City of Signal Hill, California at 1905 East 21st Street.

B. **Licensee.** Licensee is a private Catholic high school located at 620 Olive Avenue, Long Beach, California 90802, and has a softball team as part of its athletic program offered to Licensee’s students, which competes with other high schools, including those within and around the City.

C. **Purpose of Agreement.** Licensee has requested permission from City to use Spud Field to host games and practices for its softball team (“Program”) as shown and outlined on Exhibit “A,” attached hereto and made a part hereof (the “Program Property”). D. In consideration of City’s decision to issue a temporary, non-exclusive and revocable license authorizing Licensee to operate its Program on the Program Property, the Parties desire by this Agreement to establish the terms governing Licensee’s use of the Program Property.

AGREEMENT

Based on the foregoing Recitals and for good and valuable consideration, the receipt and sufficiency of which is acknowledged by the Parties, the Parties hereby agree as follows:

1. **Compliance with Regulations.**

a. **By Licensee.** Licensee shall at all times comply with all applicable requirements of local, state, and federal laws, rules, orders, and regulations (“Regulations”) now in force or which may be in force at any time during Licensee’s operation of the Program and which apply to or govern the Program (the “Licensee Obligations”). As part of complying with the applicable Regulations, Licensee shall obtain and thereafter maintain, at Licensee’s sole cost and expense, all permits and approvals that the Regulations require for the operation of the Program on the Program Property.

Licensee will operate the Program in accordance with its application, dated July 15, 2025, attached as Exhibit “B” and incorporated herein by reference (“Application”). If any terms of this Agreement and the Application conflict, the terms of this Agreement shall govern.

b. By the City. Notwithstanding the foregoing, Licensee shall be responsible for any damages, cleaning fees, or losses caused by the installation of the City Approved Improvements (as described in Section 6(b).) and its operation of the Program (including but not limited to the acts and omissions of its operators and participants).

2. Purpose. The purpose of this Agreement is to establish the terms and conditions under which Licensee may use the Program Property owned by the City to host games and practices in connection with Licensee's 2026 girls' softball season.

3. License. Subject to the terms and conditions hereinafter set forth, the City grants a revocable, non-exclusive license to Licensee to use the Program Property during the use time specified in Exhibit B, and for the sole purpose described in Section 2 of this Agreement and the Application, together with rights and access and entry onto the Program Property as necessary or convenient for the installation of City Approved Improvements (as defined in Section 6(b) of this Agreement).

4. Request for a Modification in Approved Allocation of Use. If requesting an increase or reduction of Program Property use time outside of an approved allocation as set forth in Exhibit B, Licensee must submit the request in writing, including all dates and times requested, to the Parks, Recreation, and Library Services Department no less than seventy-two (72) hours in advance of the date(s) in question.

5. Acknowledgment of Potential Field Closures. Licensee acknowledges that inclement weather may negatively impact or restrict access to or use of outdoor athletic fields and facilities, including the Program Property, and that the City may close such areas on account of inclement weather with no advance warning in its sole discretion (or that of its directors, officials, officers, employees, agents, or volunteers), and without any further obligation or recourse to Licensee.

6. Condition of the Program Property. Licensee acknowledges that it intends to and will operate its Program on the Program Property **in an AS-IS condition**. Licensee must obtain City's prior written approval before making any such repairs to the Program Property.

In the event that the City elects to terminate the Agreement for Cause, the notice given by the City to Licensee shall include the effective date of any such termination, which date shall be no earlier than three (3) calendar days following the date such notice is received by Licensee, provided such notice is sent by the City to Licensee at its address and in the manner as provided in Section 13, below.

b. Licensee shall pay, satisfy, and discharge any and all money judgments arising from the matters for which Licensee is indemnifying the City and the City Indemnified Parties under this Agreement that may be recovered against any City Indemnified Party, including attorney's fees and costs of litigation in connection with the foregoing. Licensee's obligations

under this Section shall survive termination or expiration of this Agreement, and shall not be restricted to any insurance proceeds, if any, received by any of the Licensee Parties or City Indemnified Parties. Licensee shall not be obligated to defend, indemnify, or hold harmless the City or any City Indemnified Party to the extent any claim, loss, action, damage, liability, or expense (including attorneys' fees) is the result of the gross negligence or willful misconduct of the City or any such City Indemnified Party. c. Licensee and Licensee Parties waive any right of recovery against City and City Indemnitees for indemnification, contribution, or declaratory relief arising out of or in any way connected with Licensee and Licensee Parties' use or occupancy of Program Property and adjoining property, even if City and City Indemnitees seek recovery against Licensee. 12. Insurance.

a. Time for Compliance. Licensee shall not commence its Program on the Program Property until it has provided evidence satisfactory to the City that it has secured all insurance required under this Section.

b. Types of Insurance Required. Without limiting the indemnity provisions of this Agreement, Licensee shall procure and maintain in full force and effect during the term of any Program on the Program Property the following policies of insurance. If Licensee's existing policies do not meet the insurance requirements set forth herein, Licensee agrees to amend, supplement, or endorse the policies to do so.

i. *Commercial General Liability.* Commercial General Liability ("CGL") Insurance which affords coverage at least as broad as Insurance Services Office "occurrence" form CG 0001, with limits of not less than \$1,000,000 per occurrence and no less than \$2,000,000 in the general aggregate. Defense costs shall be paid in addition to the limits. The policy shall contain no endorsements or provisions (1) limiting coverage for contractual liability; or (2) excluding coverage for claims or suits by one insured against another (cross-liability). The City, its officials, officers, employees, agents, and volunteers shall be additional insureds under the CGL insurance required herein by issuance of ISO form CG 20 10 04 13, or equivalent form reasonably acceptable to City.

ii. *Automobile Liability Insurance.* Automobile Liability Insurance with coverage at least as broad as Insurance Services Office Form CA 0001 covering "Any Auto" (Symbol 1), with limits of not less than \$1,000,000 combined limit for each occurrence.

iii. *Workers' Compensation.* Workers' Compensation Insurance, as required by the State of California, and Employer's Liability Insurance with a limit of not less than \$1,000,000 each accident for bodily injury and disease.

iv. *Sexual abuse/molestation insurance.* Licensee shall procure and maintain sexual abuse and molestation liability coverage in an amount not less than \$1,000,000 per occurrence, \$2,000,000 general aggregate. This coverage may be part of commercial general liability coverage, professional liability coverage, or a separate policy.

v. *Athletic Participant's Medical Expense.* Sports associations or events with athletic participants shall provide evidence of athletic participant's medical expense coverage to respond to athletic participant's injuries. This coverage may be part of commercial general liability coverage.

vi. *Other.* If Licensee contracts with a third-party service provider, vendor, or contractor, Licensee will require the service provider, vendor, or contractor to procure and maintain at its sole cost and expense comprehensive general liability insurance in an amount not less than \$1,000,000 per occurrence, \$2,000,000 general aggregate, or other lines of coverage City requires. Both City and Licensee shall be endorsed as additional insureds.

vii. *Insurance Endorsements.* Required insurance policies shall contain the following provisions, or Licensee shall provide endorsements to add the following provisions to the insurance policies:

c. Cancellation. Licensee shall cause its insurers to provide City with thirty (30) days' written notice of cancellation [ten (10) days for non-payment of premium]. In the event Licensee is unable to obtain notice of cancellation endorsements meeting the foregoing requirements, Licensee covenants and agrees to notify the City in writing within five (5) business days of receiving a notice of cancellation from any insurer of Licensee issuing coverage hereunder.

d. Primary and Non-Contributing Insurance. The CGL Policy and Automobile Policy shall each contain a provision or be endorsed to contain a provision stating that Licensee's policy is primary insurance and that any insurance, self-insurance, or any other insurance available to the City as a named insured shall not be called upon to contribute to loss.

e. Waiver of Subrogation. All policies of CGL, Workers Compensation and Automobile Liability insurance shall contain endorsements or be endorsed to waive subrogation against the City, its officials, officers, employees, agents, and volunteers or shall specifically allow Licensee or others providing insurance evidence in compliance with these specifications to waive their right of recovery prior to a loss.

f. Deductibles and Self-Insurance Retentions. Any deductible or self-insured retentions shall not exceed \$25,000 per occurrence.

g. Evidence of Insurance. Licensee, concurrently with the execution of this Agreement, and as a condition precedent to its permission to operate the Program on the Program Property, shall deliver certificates of insurance on forms approved by the City, together with all endorsements required herein. At least ten (10) days prior to the expiration of any such policy,

evidence of insurance showing that such insurance coverage has been renewed or extended shall be filed with the City. If such coverage is cancelled and not replaced immediately so as to avoid a lapse in the required coverage, Licensee shall, within ten (10) days after receipt of written notice of such cancellation, file with the City evidence of insurance showing that the required insurance has been reinstated or has been provided through another insurance company or companies.

h. Failure to Maintain Coverage. Subject to the notice and termination provisions provided in Section 9 of this Agreement, in the event any policy of insurance required under this Agreement does not comply materially with these specifications or is canceled and not replaced immediately so as to avoid a lapse in the required coverage, the City has the right but not the duty to obtain the insurance it deems necessary and any premium paid by the City will be promptly reimbursed by Licensee.

i. Acceptability of Insurers. Each such policy shall be from a company or companies with a current A.M. Best's rating of no less than A-:VII and authorized to transact business of insurance in the State of California, or otherwise allowed to place insurance through surplus line brokers under applicable provisions of the California Insurance Code or any federal law.

j. Enforcement of Agreement Provisions (Non-Estoppel). Licensee acknowledges and agrees that actual or alleged failure on the part of the City to inform Licensee of non-compliance with any requirement imposes no additional obligation on the City nor does it waive any rights hereunder.

k. Requirements Not Limiting. Requirement of specific coverage or minimum limits contained in this Agreement are not intended as a limitation on coverage, limits, or other requirement, or a waiver of any coverage normally provided by any insurance.

l. Insurance for Contractors. Licensee shall be responsible for requiring its contractors to purchase insurance in compliance with the terms of this Agreement's insurance requirements. Licensee shall not allow any contractor to commence work on any contract relating to the Program until it has received satisfactory evidence of contractor's compliance with the insurance requirements under this Agreement, to the extent applicable. Licensee shall provide satisfactory evidence of compliance with this section upon request of the City.
