

RESOLUTION NO. 2021-11-xxxx

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SIGNAL HILL, CALIFORNIA, DECLARING ITS INTENT TO VACATE A 15,684 SQUARE-FOOT SECTION OF E. 21ST STREET LOCATED BETWEEN WALNUT AVENUE AND GUNDRY AVENUE (STREET VACATION NO. 2021-01), PURSUANT TO CALIFORNIA STREETS AND HIGHWAYS CODE SECTION 8300 ET SEQ., EXCEPTING AND RESERVING RIGHTS FOR PUBLIC UTILITIES, AND DIRECTING THE CLERK TO SET A DATE, TIME, AND PLACE FOR PUBLIC HEARING AND TO PUBLISH AND POST REQUIRED NOTICES

WHEREAS, the applicant, Steven Christie of Xebec Realty, the authorized agent of Signal Hill XC, LLC, filed an application to develop a new light industrial park, requesting Environmental Review and the following entitlements: a Site Plan Design Review (SPDR 21-07), a General Plan Amendment (GPA 21-01), a Zoning Ordinance Amendment (ZOA 21-02), a Tentative Tract Map (TTM 80302), and a Street Vacation (SV 2021-01) (Project); and

WHEREAS, as part of the larger Project, the applicant filed an application to vacate a 15,684 square-foot section of E. 21st Street located between Walnut Avenue and Gundry Avenue (Street Vacation No. 2021-01), as legally described in Exhibit A and depicted in Exhibit B attached hereto (Property); and

WHEREAS, the requested street vacation is necessary for the development of the Project, as it is proposed to be used for ingress and egress into the park, for parking to serve lots 4 and 5 in the proposed tentative map, and for utility easements and fire lanes; and

WHEREAS, provisions of Chapter 3, Part 3, Division 9 of the California Streets and Highways Code grants the City Council authority to vacate any street or part of any street that it finds is unnecessary for present or prospective public use, in accordance with Streets and Highways Code Section 8324; and

WHEREAS, the City of Signal Hill Public Works Department has reviewed the traffic report by Ganddini Group, dated September 27, 2021, on file at the Department, and has confirmed that the Property is not necessary for any present or prospective public use; and

WHEREAS, the City prepared an Initial Study/Second Recirculated Mitigated Negative Declaration (MND) that analyzed the proposed Project's environmental impacts in compliance with the provisions of the California Environmental Quality Act (CEQA). The Initial Study/Second Recirculated MND was made available to the public for review and comment for 30 days between June 29, 2021, and July 28, 2021. During the public review period, the City received comment letters on the Project. For those comment letters that raised CEQA-related issues, the City has responded to and incorporated those responses in the Final Initial Study/Second Recirculated MND. The Final Initial Study/Second Recirculated MND indicates that the proposed Project would not result in significant impacts with the implementation of mitigation measures; and

WHEREAS, as required by California Streets and Highways Code Section 8313(b) and California Government Code Section 65402, the Planning Commission at a duly noticed meeting on October 19, 2021, adopted Resolution No. 851-10-19 finding the proposed vacation is consistent with and in conformity with the City of Signal Hill's General Plan.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Signal Hill, California, does hereby find as follows:

Section 1. Recitals. The facts set forth in the recitals in this Resolution are true and correct and incorporated by reference.
